# 12' x 26" NYLON FEATHER FLAGS

Our nylon feather flags start with a superior flag fabric: Solarmax®. Solarmax® fabrics are tough, durable, long-lasting and specifically designed for active outdoor use. All flags are fully sewn with the exception of the aniline dyed Black & White Checkered design.

Each flag has a pole sleeve to accept up to a 1¼" outside diameter pole. A leather tab is sewn into the inside bottom portion of the header allowing a nylon flag tie (included) to secure the flag on to the pole.

**MADE IN THE U.S.A.**
