

# POLY-MAX™ MILITARY FLAGS

MADE IN THE U.S.A.

# POLY-MAX™ MILITARY FLAGS

Our outdoor Poly-Max™ Military Flags are made of the most durable of all flag fabrics and skillfully crafted of 2-ply polyester bunting.

These flags have superior performance in sun, rain and wind. Light-fastness protects against U.V. rays and wet-fastness prevents bleeding of the dyes. The unique open weave construction reduces wind resistance, lessening abrasion and increasing flag life.

These flags are ideal for industrial, institutional, commercial or residential applications.
