

Looking for a  
special flag or  
banner that really  
**STANDS OUT?**

**APPLIQUÉ  
IS OUR  
FORTE!**

# APPLIQUÉ

is a method of layering fabric on top of fabric for the most vibrant, colorful display.

The quality and detailed craftsmanship of these attention-getting flags and banners exceeds any printed style.

These beautifully unique stitched creations are designed and hand-crafted with the finest workmanship in the industry. With appliqué each item is individually assembled and stitched by our expert sewing team.

Appliqué is an attractive choice for corporate logo flags, military guidon flags, school and parade banners. It's also an eye-catching option for message feather flags, presentation flags and banners.

Appliqué also offers the opportunity to enhance existing flags and banners. Years or names can be added as needed without having to produce a brand new banner each year.

These flags are all guaranteed to be made in the USA with extreme care and attention to detail.
